

## WEEK #14 – INTO ACTION (Step 6 & Step 7)

### Joe and Charlie Transcript

Now if you've done (Step) 4 and 5 according to the Big Book you've done a lot of work and you're probably tired and need a little rest. The book's going to give us a little rest stop...

Big Book, p. 75, par. 3: ***Returning home we find a place where we can be quiet for an hour,***

J & C Now he didn't say seventy-two days. You see they mean for us to get on with this thing, between (Steps) 3 and 4 - at once\*\* , now we get an hours rest here but that's all.

***\*\* Big Book pg. 64 line 1: Though our Decision (Step 3) was a vital and crucial step, it could have little permanent effect unless at once followed by a strenuous effort to face, and to be rid of, the things in ourselves which had been blocking us (Step 4).***

Big Book, p. 75, par. 3: ***We thank God from the bottom of our heart that we know Him better.***

J & C We don't know him yet, but we know him better.

Big Book, p. 75, par. 3: ***Taking this book down from our shelf we turn to the page (59) which contains the twelve steps. Carefully reading the first five proposals we ask if we have omitted anything, for we are building an arch through which we shall walk a free man at last. Is our work solid so far? Are the stones properly in place? Have we skimmed on the cement put into the foundation? Have we tried to make mortar without sand?***

J & C And once again we are referring to the wonderfully effective spiritual structure, the personality change we're building.

- Step 1 - Willingness was the foundation (pg. 23, par. 5)
- Step 2 - Believing was the cornerstone (pg. 47, par. 2)
- Step 3 - Arch that we pass through to freedom - 3 is the keystone (pg. 62, last line)

### Now we've put two more stones in place (Step 4 & Step 5)

Big Book, p. 76, par. 1: ***If we can answer to our satisfaction, we then look at Step Six. We have emphasized willingness as being indispensable. Are we now ready to let God remove from us all the things which we have admitted are objectionable? Can He now take them all, everyone? If we still cling to something we will not let go, we ask God to help us be willing.***

J & C And that's all for Step 6. And if you notice he didn't say a thing about defects of character did he? He did say those things that we admitted were objectionable. Now surely, surely in Step 4 and 5 when we looked out into that fourth and fifth columns and we saw that old selfish, dishonest, self-seeking, frightened, inconsiderate character that we have become, when we saw that those were what cause us to do the things that hurt people. They in turn retaliate, we in turn resent, we're afraid, we're filled with guilt and remorse which causes us to drink then surely those things in the fourth and fifth column have now become objectionable to us. Are we ready to turn them lose, if we are we're thru with Step 6. The book recognizes though that self cannot always overcome self, because it says if we're not ready we ask God to help us be willing to turn these things loose.

Now you would think when we see what they do to us we'd be more than willing, but sometimes we're not. You know we human beings are funny people; sometimes we would rather sit in today's pain and suffering cause we've come to learn how to take care of that. Sometimes **we'd rather sit in today's pain and suffering than take a chance on changing in the future because we don't know what change will bring.**

## WEEK #14 – INTO ACTION (Step 6 & Step 7) Joe and Charlie Transcript

If I have to get rid of my selfishness and become unselfish, then how am I going to get what I want in the future?

If I'm going to have to get rid of my dishonesty and start operating honestly, then how the heck am I going to make a living? I don't know nothing about honesty when I get here.

If I'm going to have to start getting rid of my self-seeking and frightened character and start operating on courage that scares the hell out of me. I don't know nothing about that.

If I'm going to have to start considering other people and their needs and their wants, then who is going to take care of me?

**Sometimes we would rather sit in today's pain than take a chance on changing in the future.**

The Big Book recognized that and said if you're not ready,

Big Book, pg. 76, par. 1: *...we ask God to help me be willing.*

J & C And with God's help we become willing with (Steps) 3 through 6. When ready we say something like this, (Step 7 Prayer)

Big Book, pg. 76, par. 2: *My Creator, I am now willing you that you should have all of me, good and bad. I pray that you now remove from me every single defect of character...*

J & C Whoop, whoop. We're at Step 7 now and it said "shortcomings", but here he calls (it defect of character).... see what he's done to us. He confused the heck out of us didn't he?

Big Book, pg. 76, par. 2: *I pray that you now remove from me every single defect of character which stands in the way of my usefulness to you and my fellows. Grant me strength, as I go out from here, to do your bidding. Amen.*

J & C We've then completed Step 7.

Are you ready to have God remove them (defects of character)? If you are, you're through with (Step) 6. Have you humbly asked him to take them away? If you have, you've done Step 7.

But I hope you don't make the mistake I did. I assumed that now that I'm ready, and God being all powerful, that all I've got to do is turn to God and say okay God here I am, warts and all, does that mean give me the \$29.95 special and I'll never have to worry about this stuff again. I found out it don't work that way. God will do for me, what I can't do for myself. I simply do not have the power to remove a character defect - only God has the power.

**God will not do for me, what I can do for myself. And what I can do for myself is find out the opposite of that character defect, and then with God's help and all the willpower I can muster, in every situation it comes up, try to practice the opposite.**

## WEEK #14 – INTO ACTION (Step 6 & Step 7) Joe and Charlie Transcript

Because you see, God can't take away my selfishness and leave another whole in my head. It's going to have to be replaced with the opposite, which is unselfishness. And when I first got here my mind was a set of mental habits ingrained in 38, 39, 40 years of living. The habitual thing for me was to react selfishly.

### **The only way to break a habit is to work against your self.**

- If I ask God to take away selfishness and I start trying to practice unselfishness, then **slowly the old habit dies and a new habit takes its place**. Over a period of years I have become an unselfish human being. I am not what I was when I first got here.
- If I want God to take away dishonesty, then I must do my part, which is to practice honesty in every situation that comes up and that's hard for me to do. That is so alien to my nature that I can't practice honesty without God's help. But with God's power and all the willpower I can muster I can force myself to be honest and **slowly the old idea dies and a new one takes its place**. The habitual thing for me today is to react to any situation with honesty.
- If I want God to take away fear then I've got to kick myself in the butt and practice courage.
- If I want Him to take away inconsideration, then I must start considering other people and their needs and their wants and **slowly the old idea dies and a new idea takes its place**.

Big Book, pg. 63 par. 1: ... **We were reborn.**

J & C I am not what I used to be. Now I'm not completely unselfish. I never will be. I'm not always completely honest. Sometimes I'm afraid and other times I'm inconsiderate but the majority of the time I'm an unselfish, honest human being with courage, considering other people first. You know I think you and I are the luckiest people in the world. We have the opportunity through these two little steps right here (6 & 7) to live two lifetimes in one lifetime. Most people out there are sick; most of them are going to their grave sick; not even knowing they're sick. We not only know we are sick, we know what's wrong with us we found it in Steps 4 & 5 and in Steps 6 & 7 we can do something about it. We can change it and we become entirely different human beings.

Most people don't get that opportunity. Now be careful, for God's sake be careful! **Because if you really accept this as the correct thing and the right thing then that means from this day on you are responsible for what you are.** I can't blame it on Barbara any longer, I can't blame it on Mother and Dad, I can't blame it on God and I can't blame it on society.

**If I stay selfish, dishonest, self-seeking, frightened and inconsiderate it's got to be because that's the way I want to be.** I no longer have the luxury of blaming it on others 'cause I don't have to be that way.

## WEEK #14 – INTO ACTION (Step 6 & Step 7) Joe and Charlie Transcript

You know what I found out?

- I found out that when you become unselfish people start kind-a liking you a little better than they did before.
- I found out when you start becoming honest, well, you feel better about yourself. **That's the way you build self-esteem is to do the right thing for a change!**
- I found out when I practice with courage and I operate on courage instead of fear I do things that makes me feel better and I quit doing things that made me feel so bad.
- I found out there's real pleasure in considering other people first and giving to others before you take for yourself.

I didn't know that. How in the hell could I know that? I've never been that way before. This thing really amazes me in what happens to us and the simplicity of this thing if we will just do what the book says.

Joe?

You know there's always a paradox in AA. To give you an idea what a paradox is: How many of you have ever called your sponsor so you could listen? We always call him so we can talk, right? That's the paradox.

The paradox here in these two steps is that they use:

- The Doctors Opinion (p. xxiii) and the first four chapters to do Steps 1 & 2
- 3 ½ pages for Step 3
- 8 pages for Step 4
- 4 pages for Step 5
- and a whole chapter devoted with "Working with Others".

**The paradox is that two of the biggest steps in all of Alcoholics Anonymous are in two little paragraphs, (Steps) 6 & 7.**

**These are the tools of change.  
These are the tools of acceptance.**

A lot of people talk about just running around accepting things - I accept this, I accept that. Well I can't do that.

**Acceptance comes after some actions...  
Acceptance comes after the actions of Steps 6 & 7.**

You know there's a story in that other Book (Bible) about this guy named Judas. Judas could not accept what he had done. (Betrayal) So what did he do? He killed himself. That's the importance of acceptance. You can't accept anything unless you take some action. He didn't do Steps 6 & 7 - didn't have them

## WEEK #14 – INTO ACTION (Step 6 & Step 7) Joe and Charlie Transcript

There is another story in this other Book (Bible) about this guy, his name was Saul. Saul was riding his ass on the way to Damascus. A big bolt of lightening came down and knocked him off his ass, on his ass. That's the way I read it. He gets up and he dusted himself off and this big voice came out of the sky and said, "Saul, can we talk?"

"Yeah, we can talk. What you want to talk about?"

Had to get his attention didn't he? Maybe alcoholism has to get our attention.

"Saul you've been a very selfish individual and you've harmed a lot of people and you're very resentful and angry. You've harmed a lot of people by those attitudes and I want you to quit doing that!"

Saul asked, "How do you quit doing that?"

"Do THESE things instead and if you will do that, then you'll make a change, and when you change then we'll call you Paul."

Well he did those things and became Paul. Now we know that Paul was one of the greatest writers the world's ever known. The Corinthians, (those from the town of Corinth, Greece), they asked Paul one day, "Paul, what is this secret to living?"

Paul answered, "**The secret to living is daily dying.**"

### **The old Saul had to die so the new Paul could come alive.**

By the time I got to Steps 6 & 7, I could see what I had become as a result of the previous steps and I didn't like what I had become and a little doubt crept in my mind.

**Can God really change me from what I had become to what he intends for me be?** And then I had to reaffirm and rethink about this idea on page 53. It said,

Big Book, pg. 53, par 3: ***God either is, or He isn't?***

J & C He either can or he can't

Big Book, pg. 53, par 3: ***What was our choice to be?***

J & C And I chose to believe that he could.

### **The tools of change...**

To change from what I had become to what God had intended me to be.

## **Steps 6 & 7 - Two of the biggest Steps in all of Alcoholics Anonymous!**

## WEEK #14 – INTO ACTION (Step 6 & Step 7) Joe and Charlie Transcript

Just before the break I want Joe to tell you one little story about buying some salad to show you practicing this thing. A few years ago I went into a grocery store to buy some salad and some stuff to fix for a salad - that night I was having steak. I went in there and bought this stuff and came back up to the register and I was going to pay up and I gave this lady ten dollars and she took the ten dollars and stood right there and counted me out change for a twenty, and I watched her do it. And I picked up that money and I put it in my pocket and I got out to my car and I sat there and I said well you big dummy you sold out for ten bucks. I thought I was worth more than that! I'm glad it wasn't less than that!! So I took the money back in there and I told the lady I said "You know I'm a member of a fellowship that requires me to be honest. You gave me too much money and I want to give you this ten dollars back." And she said, "You know I never heard of a fellowship like that." I said, "Well I hadn't either till a few years ago, so here's your ten bucks back." The whole point of this story, when I walked out with that ten dollars, and believe me I don't need ten dollars; I mean I do not need ten dollars. And I'm walking out I felt about that big (tiny), sneaking out the door. You see then I went back in there and gave her that ten bucks back and I walked out and I feel good again. I did the right thing. If you practice that enough times the next time she gives change for a twenty you do it right there you don't even go out the door with it. That's what we're talking about when we change and only we can do it.

Only we can slay ourselves, with God's help, and become different human beings.

**If you stay dishonest, self-seeking, frightened and inconsiderate it must be because you want to!**

We've completed our first seven steps knowing full well we're going to be working on (Steps) 6 & 7 for the rest of our lives really, trying to change as the opportunity comes up.

Now we've read in the book where we are:

- (a) Spiritually sick
- (b) Mentally sick
- (c) Physically sick

***...when the spiritual malady is overcome we straighten our mentally and physically***  
(p. 64, par. 4)

We begin to look at those things and begin to realize that all human beings really are born to live in three dimensions of life.

**If God dwells within each of us we're going to have to live with God**, whether we like it or not is beside the point. (Spiritual Dimension) The only question is: **Do we live with Him in harmony or disharmony?** I don't know of anybody that ever got in more disharmony with God than we alcoholics have.

We also have what we call the Mental Dimension. We've all got a mind, sometimes we act like we don't but we do. We have to live with our mind, whether we like it or not is beside the point, we don't have a choice. And again: **Do we live there (with our mind) in harmony or disharmony?** I don't know of any group of people that ever got more fouled up in their heads than we alcoholics have.

## WEEK #14 – INTO ACTION (Step 6 & Step 7) Joe and Charlie Transcript

For years I thought the Physical Dimension was my body only. Today I realize the Physical Dimension is the world and everything in it. We alcoholics don't have any place else to live except here on earth, we don't have any choice in the matter, whether we like it or not is beside the point. The only question is: **Do we live on earth with our fellow man in harmony or disharmony?** And I don't know of any group of people that ever got more fouled up in a relationship with the world and everybody in it than we alcoholics have.

### **So we were sick spiritually, mentally and physically.**

The book talks about a design for living, and it looks (seems) to us that:

**These steps are designed in such a manner to put us back together and make us well in all three dimensions of life as God intended for us to be in the first place.**

#### ➤ **Steps 1 & 2**

- We got right with the Spirit.
- Because we were powerless, we saw the need for the power.

#### ➤ **Step 3**

- We decided to go after that power
- We made a decision that God was going to be the Director.
  - ❖ He's the Father, we're the children.
  - ❖ He's the Employer, we are the employee (we work for him)

For most of us that's the first time we've had that relationship with God for a long, long, long time. We got the right relationship in (Steps) 1, 2 & 3. That removes self-will, to let us begin to look into our own minds.

#### ➤ **Step 4 & 5**

- We found out those things that:
  - Block us off from God,
  - Block us off from our fellow man,
  - Creates the resentments and the fears and the guilt's etc.

#### ➤ **Steps 6 & 7**

- We begin to work on those things that block us off

We begin to get right in our minds through Steps 4, 5, 6 & 7. That removes just enough self-will, to begin to look at our relationship with the world and everybody in it. Through Steps 4, 5, 6 & 7 we got rid of these resentments, we got rid of these fears to the level that God intended for them to be. But, we haven't really done anything about the storeroom back here that's filled with guilt and remorse associated with the harms we've done in the past.

If we want to get right in the Physical Dimension, (our relationship with the world and everybody in it), it has long been known that the way you do that, is to make restitution for the things done in the past.

*[See Joe and Charlie Transcript for Steps 8 & 9]*
